Explore the original settlement of the city through a private tour and multimedia production at an award-winning archaeology museum. View a prestigious collection of French royal paintings and object d'arts once owned by the likes of Joan of Arc, Napoleon and King Louis XV at a Beaux Arts Style Chateau.

Savour the flavours of Montréal cuisine as we wind our way through cobblestoned streets on a culinary walking tour. Revel in the music at a Berlioz concert at famed Place des Arts. Immerse yourself in the French culture and develop a new-found love for Montréal with its European flair.

Enjoy the "Joie de Vivre"!
